ATAL BIHARI VAJPAYEE GOVT. DEGREE COLLEGE SUNNI

An Insight

Government College Sunni came into being in 2006. Sunni town (lat. 31.24 degree N. Long-77.12 E), a pristine place, rests deep in a scenic valley and is at a distance of about 50 kms. from Shimla on the state highway 13. It is enroute to the famous tourist spot Tattapani. Initially the college started functioning in Govt. Sr. Sec. School, Sunni temporarily and later was shifted to the building formerly known as Intern Medical Hostel, IGMC. The college started functioning from the new building w.e.f. September, 2012. In Oct. 2018 the college was renamed as Atal Bihari Vajpayee Govt. Degree College, Sunni.

This new majestic college building is situated at a distance of about 500mts. from Sunni bus station and is beautifully laid out on the Sylvan Himalayan foot hills on the left bank of the mighty river Satluj. However, now, the back waters of the Kol Dam reservoir have formed a lake which has further enhanced the charm and beauty of the place. Thus the college campus having a picturesque, serene location provides an ideal ambience for the seekers of learning. The sprawling campus is spread over an area of 12 acres. The new magnificent building has more than 15 spacious, airy and well-lighted lecture theatres and rooms, a well-stocked library and a reading hall, well-equipped laboratories, a computer lab and many other essential features.

The College is affiliated to H.P. University and offers courses in Arts, Commerce and Science. In Arts there are 12 disciplines of Humanities and Social Sciences. In Science, this college provides the best of laboratory facilities for both Medical and Non-medical streams. We are happy to announce that from this academic session we are starting BCA in self-financing mode. The government has given NOC and the H P University has also given affiliation to start this course.

The new features added to the college include CCTV cameras, a seminar room, six smart class rooms, a gymnasium, separate rooms for different departments and wi-fi facility. The panoramic, vast, new sports ground is fully functional. The Physical Education (sports) department of the college can boast of having the best quality equipment especially for games like boxing, hockey, cricket, volley ball, badminton, kabaddi, basketball and table tennis. The computer lab of the college is well-equipped with a total number of 30 latest computers, with broadband connection. Fire extinguishers have also been installed as safety measures for the campus, solar lights have also been installed at various places in the campus, a solar power plant with a capacity of 25 KW has been installed. Under the guidance of the Principal and the staff, NSS volunteers of the college have developed a "Tarun-Triveni Vatika" and Botanical Garden as part of campus beautification.

For the all-round development of the students, a number of subject societies and clubs exist. The students get ample opportunity to exhibit their talent in the various activities organised by these societies throughout the session. The college has one unit under National Service Scheme (NSS), a Rovers & Rangers unit and an active NCC wing. The College Magazine 'Tapdhara' is published every year which gives an opportunity to the students to express their ideas and views and sharpen their writing skills. The Parent-Teacher's Association (PTA) is contributing a great deal in the developmental activities of the college. The students of this college have set a glorious record of academic excellence by bagging merit positions in university examination and other fields.

Thus the college is now making rapid progress in the field of education by providing all the facilities available in any city college. This institution aims to bring about a transformation in the lives of students and people of rural Shimla. The motto of the college is "स्वयंप्रभा समुज्ज्वला" 'Swayamprabha Samujjwal' i.e.

Let your own guiding light

Enlighten the whole world equally

The aim of this college is not merely to equip the students academically but also to provide a requisite environment and training to enable them to blossom into truly humane, serviceful and integrated personalities.

UGC CHOICE BASED CREDIT SYSTEM (CBCS)

Note: The government notification regarding the proposed academic scheme and course of study envisaged under National education Policy (NEP-2020) in reference to BA./B.Com./B.Sc 1st year is still awaited and the same will be implemented as and when it comes in the due course of time.

Executive Council of Himachal Pradesh University has approved the adoption of New CBCS of UGC on 30/05/2016 from the academic session 2016-17 onward.

Advantages of the choice based credit system:

- Shift in focus from the teacher-centric to student-centric education.
- Students may undertake as many credits as they can cope with (without repeating all courses in a given year if they fail in one/more courses).
- CBCS allows students to choose inter-disciplinary, intra-disciplinary courses. Skill oriented papers (even from other disciplines according to their learning needs, interests and aptitude) and more flexibility for students.
- CBCS makes education broad-based and at par with global standards. One can take credits by combining etc.
- CBCS offers flexibility for students to study at different times and at different institutions to complete one course (ease of mobility of students). Credits earned at one institution can be transferred to another institution.

CHOICE BASED CREDIT SYSTEM (CBCS)

The CBCS provides an opportunity for the students to choose courses from the prescribed courses comprising core, elective or skill based courses. The courses can be evaluated following the grading system, which is considered to be better than the conventional marks system. Therefore, it is necessary to introduce a uniform grading system in the entire higher education in India. This will benefit the students to move across institutions within India to begin with and across countries. The uniform grading system will also enable potential employers in assessing the performance of the candidates. In order to bring uniformity in evaluation system and computation of the Cumulative Grade Point Average (CGPA) based on student's performance in examinations, the UGC has formulated the guidelines to be followed.

COURSES OF STUDY

1. **Discipline Specific Core (DSC) Course:** A course, which should compulsorily be studied by a student as a core requirement is termed as a Core course.
2. **Elective Course:** Generally a course which can be chosen from a pool of courses and which may be very specific or specialized or advanced or supportive to the discipline/ subject of study or which provides an extended scope or which enables an exposure to some other discipline/subject/domain or nurtures the student's proficiency/skill is called an Elective Course.

Discipline Specific Elective (DSE) Course: Elective courses may be offered by the main discipline/subject of study is referred to as Discipline Specific Elective. The University/Institute may also offer discipline related Elective courses of interdisciplinary nature (to be offered by main discipline/subject of study).

Dissertation/Project Work: An elective course of 6 credits, designed to acquire special/advanced knowledge, such as supplement study/support study to a project work, and a candidate studies such a course on his own with an advisory support by a teacher/faculty member is called dissertation/project.

Generic Elective Course (GE): An elective course chosen generally from an unrelated discipline/subject, with an intention to seek exposure to other subjects/disciplines is called a Generic Elective Course.

P.S.: A core course offered in a discipline/subject may be treated as an elective by other discipline/subject and vice versa and such electives may also be referred to as Generic Elective.

3. Ability Enhancement Courses (AEC): The Ability Enhancement (AE) Courses may be of two kinds: AE Compulsory Course (AECC) and AE Elective Course (AEEC). "AECC" courses are the courses based upon the content that leads to knowledge enhancement. (I) Environmental Science, (II) English/MIL Communication. These

are mandatory for all disciplines. AECC courses are value-based and/or skill-based and are aimed at providing hands-on-training, competencies, skills, etc.

Ability Enhancement Compulsory Course (AECC): Environmental Science, English Communication/MIL

Communication. (Sanskrit/Hindi Skill) Enhancement Courses (SEC) (Minimum 4): These courses may be chosen from a pool of courses designed to provide value-based and/or skill-based instruction.

Introducing Research Component in Under-Graduate Courses

Project work/Dissertation is considered as a special course involving the application of knowledge in solving/analyzing /exploring a real life situation/difficult problem. A Project/Dissertation work would be of 6 credits. A Project / Dissertation work may be given in lieu of a discipline specific elective paper.

IMPLEMENTATION

1. The CBCS may be implemented in Central/State Universities subject to the condition that all the stakeholders agree to common minimum syllabi of the core papers and at least follow a common minimum curriculum as fixed by the UGC. The allowed deviation from the syllabi being 20 % at the maximum.
2. The universities may be allowed to finally design their own syllabi for the core and elective papers subject to point no. 1. UGC may prepare a list of elective papers but the universities may further add to the list of elective papers they want to offer as per the facilities available.
3. Number of Core papers for all Universities has to be the same for both UG Honors as well as UG Program.
4. Credit score earned by a student for any elective paper has to be included in the student's overall score tally irrespective of whether the paper is offered by the parent university (degree awarding university/institute) or not.
5. For the introduction of AE Courses, they may be divided into two categories:
 - a) AE Compulsory Courses: The universities participating in CBCS system may have a common Curriculum for these papers. There may be one paper each in the 1st year viz.
 - (i) English/MIL Communication, (ii) Environmental Science.
 - b) Skill Enhancement Courses: The universities may decide the papers they may want to offer from a common pool of papers decided by UGC or the universities may choose such papers themselves in addition to the list suggested by UGC. The universities may offer one paper per year for these courses. (2 papers/year)
6. The University/Institute may plan the number of seats per elective paper as per the facility and infrastructure available.
7. An undergraduate degree with Honors in a discipline may be awarded if a student completes 14 core papers in that discipline, 2 Ability Enhancement Compulsory Courses (AECC), minimum 2 Skill Enhancement Courses (SEC) and 4 papers each from a list of Discipline Specific Elective and Generic Elective papers respectively.
8. An undergraduate Program degree in Science disciplines may be awarded if a student completes 4 core papers each in three disciplines of choice, 2 Ability Enhancement Compulsory Courses (AECC), minimum 4 Skill Enhancement Courses (SEC) and 2 papers each from a list of Discipline Specific Elective papers based on three disciplines of choice selected above, respectively.

10. For the purpose of computation of work-load the following mechanism may be adopted:
 - i) 1 Credit = 1 Theory period of one hour duration
 - ii) 1 Credit = 1 Tutorial period of one hour duration
 - iii) 1 Credit = 1 Practical period of one hour duration

There are several committees (sub-committees of the Staff Council) which work towards the resolution of issues in a time-bound manner once complaints are received by the College. Depending on the nature of the complaint, the College directs the representation received to the relevant committee. Students can make a representation regarding their grievance to the College. They can either email their grievances to principalgcsunni@gmail.com, submit the representation to the Office of the Principal, submit the complaint online, or submit their complaints to the convener of the respective committee. The following committees address the grievances of students;

Grievance Redressal Committee: The college has an Academic Grievance Redressal Committee. The composition of the Committee is notified on the website and in the prospectus annually. This committee addresses student grievances as and when received. The cases addressed by this committee include grievances related to:

- Internal Assessment
- Change of course
- Miscellaneous Complaints related to any issue faced by students in their departments, Students' Societies or related to infrastructure.

While adhering to the University norms regarding Internal Assessment (IA), the College has retained the flexibility to allow teachers to design the pattern and schedule of internal assessment to best suit the domain requirements of the course being assessed, and the profile of the students attending the course. ACADEMIC BANK OF CREDITS (ABC)

What Is The Academic Bank Of Credits (ABC)?

Academic Bank of Credits (ABC) is a virtual/digital storehouse that contains the information of the credits earned by individual students throughout their learning journey. It will enable students to open their accounts and give multiple options for entering and leaving colleges or universities. There will be “multiple exits” & “multiple entries” points during the higher education tenure & credits will be transferred through the ABC seamlessly.

ABC can be considered as an authentic reference to check the credit record of any student at any given point in time. Thus, the concept of ABC is fuel to boost the efficiency of faculty and help students embrace a multi-disciplinary educational approach. The idea is to make students “skillful professionals” and help their overall growth.

In a crux, the Academic Bank of Credits will be a game-changer in transforming Indian education to a great extent.

1: Functions of Academic Bank of Credit (ABC)

- ξ The Academic Bank will be accountable for opening, closing, and validating the academic accounts of students.
- ξ It will carry out tasks such as credit accumulation, credit verification, credit transfer/redemption of students.
- ξ The courses include online and distance mode courses offered by the government and institutes.
- ξ The validity of these academic credits earned by students will be up to seven years and students can redeem these credits.
- ξ The credits can be redeemed and students can seek admission directly in the second year at any university.
- ξ The validity will be up to seven years, hence, students will have to rejoin within seven years.

2: Credits Information as Per Courses

As per the courses, a credit structure will be created by the Government.

When a student pursues any course and clears exams, credits will be automatically awarded to them. Institutions need to fill out the details and upload the deposits in the students' Academic Credit Bank's account on the digital portal.

3: Evaluation & Verification of Credits

Any kind of credit evaluation & verification will be carried out by the Academic Credit Bank at regular intervals.

If students want to transfer the credits, they need to approach the ABC for further process. It will help in regulating the processes with ultimate authenticity.

4: Types of Courses

Online & offline – both types of courses are included in the scheme. Some of the important ones include National Schemes such as–

- ξ NPTEL
- ξ SWAYAM
- ξ V-LAB

Thus, the ABC will cover almost all types of courses including distance learning courses to help students of every possible stream.

5: Credits' Validity

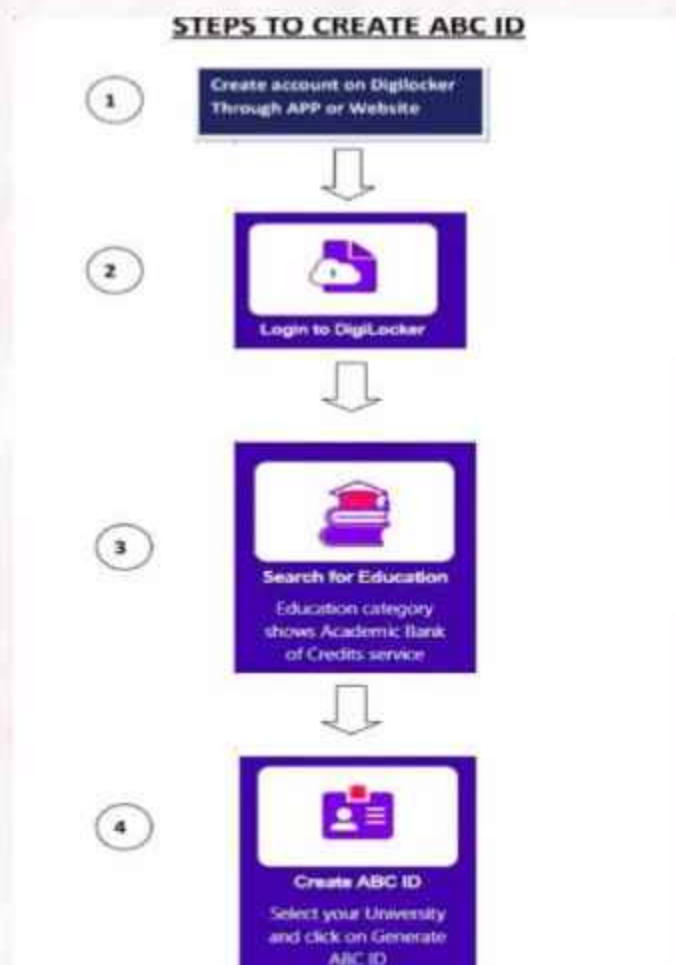

The credits earned by students will be valid for seven years.

However, the validity of credits is subject to change depending on the type of courses or disciplines. In such instances, ABC will provide the details of the exceptions to students.

Even if a student takes a break or is not able to continue their education, they may redeem the earned credits in the future within the time limit of seven years.

In accordance with NEP-2020, it is mandatory for all the students to generate their unique Academic Bank of Credit (ABC) ID before the next academic session. This can be done easily by following the steps given below:
